Re-imagining—Leadership, Business and Organizations. Restoring—Our Selves.

The Age of Leadership™

With Katalina Groh,
John Seely Brown, Steve Denning & Larry Prusak

Learn to Unlearn the Past—the Critical Theme for Change.

Master Radically New Management Skills.

What does it take to be a leader in a world of constant change?
How can we honor our past leadership successes while creating the future?
How do the leaders of tomorrow lead transformational and sustainable change in organizations? How do we engage others to get and practice "Pull Power"?

This interactive, thought-provoking one-day class will show you the steps needed to become a leader of the future, to move beyond the past and to create a vibrant, self-sustaining future. The session will be full of thoughts, ideas, and insights. The thought provoking session will engage participants and provide them with new skills they can immediately use. The inspirational session engages every participant and leaves them greatly inspired while actively using a new highly collaborative language of pull and an understanding of the need to share knowledge.

GROH™ Facilitated Learning

Great leaders subsume their ego and surrender control

Getting beyond yourself and surrendering control Stop listening to the monitoring voices

Learn the language of leadership

Storytelling provides a vehicle for knowledge transfer Communication – say less, communicate more

• As leaders we need to learn from the past but most importantly create the future

Change – stop fearing it, embrace it

The path forward is revealed by first looking back, then letting go

Take the walk first to find your authentic self

Why should you have a GROH™ certified facilitator?

Sometimes an outside perspective can be very valuable—especially when it comes with value and experience. At GROH™ we don't just create films, we create learning solutions. Our certified facilitators understand the content and knowledge objects at a high level because of their involvement in research, development and application. Each GROH™ facilitator brings real world experience to your session. We will work with you before, during and after the session to make sure that you get an extraordinary return on the time invested.

This program, along with all GROH™ programs are developed using best practices in adult learning including, but not limited to case studies, simulations, large and small group discussion, audio and digital film elements and real playing (practicing real situations).
